

THERE'S JUST ONE THING I KNOW NOW

Have been striving to survive
Through the lies and through the strife
Matters not for I know now:
Falun Dafa hao!

Still so much to understand
Who can see the journey's end?
There's just one thing I know now:
Falun Dafa hao!

Right and wrong becoming clear
Truth will chase away my fear
There's just one thing I know now:
Falun Dafa hao!

Still so much to understand
Who can see the journey's end?
There's just one thing I know now:
Falun Dafa hao!

Master came to spread the Fa
Everyone can go so far
There's just one thing I know now:
Falun Dafa hao!

Still so much to understand
Who can see the journey's end?
There's just one thing I know now:
Falun Dafa hao!

Things I cherished in the past
Started losing meaning fast
There's just one thing I know now
Falun Dafa hao!
