Canada's prime minister sends greetings for "Falun Dafa Month" 9 years in row

Prime Minister Stephen Harper and other government dignitaries sent greeting letters to the Falun Dafa Association of Canada in May 2014, commending the Association for sharing Falun Dafa and its central principles of Truthfulness, Compassion, and Forbearance with fellow Canadians.

Falun Gong practitioners are rekindling Chinese classical culture and bringing beauty and peace to the communities

Governments worldwide have shown support for the persecuted practitioners of Falun Gong, also called Falun Dafa, in China, awarding over 3,000 proclamations and other honours to encourage the practitioners in China and to commend the contributions of practitioners elsewhere. Many of the awards speak of Falun Gong's benefits and its value to the community.
