

Ongoing Bloody Organ Harvesting of Falun Gong Practitioners in China

International Human Rights Lawyer David Matas: "A Grotesque Form of Evil New to this Planet"

On July 6, 2006, former Canadian Secretary of State (Asia-Pacific division) David Kilgour and International Human rights lawyer David Matas held a press conference on Parliament Hill in Ottawa. They revealed to the Canadian government and the media the results of their two-month long investigation on the harvesting of Falun Gong practitioners' organs. They believe that the live organ harvesting practiced by the Chinese Communist Party is real.

CCP Live Organ Harvesting for Huge Profits by Murdering People only Doing This

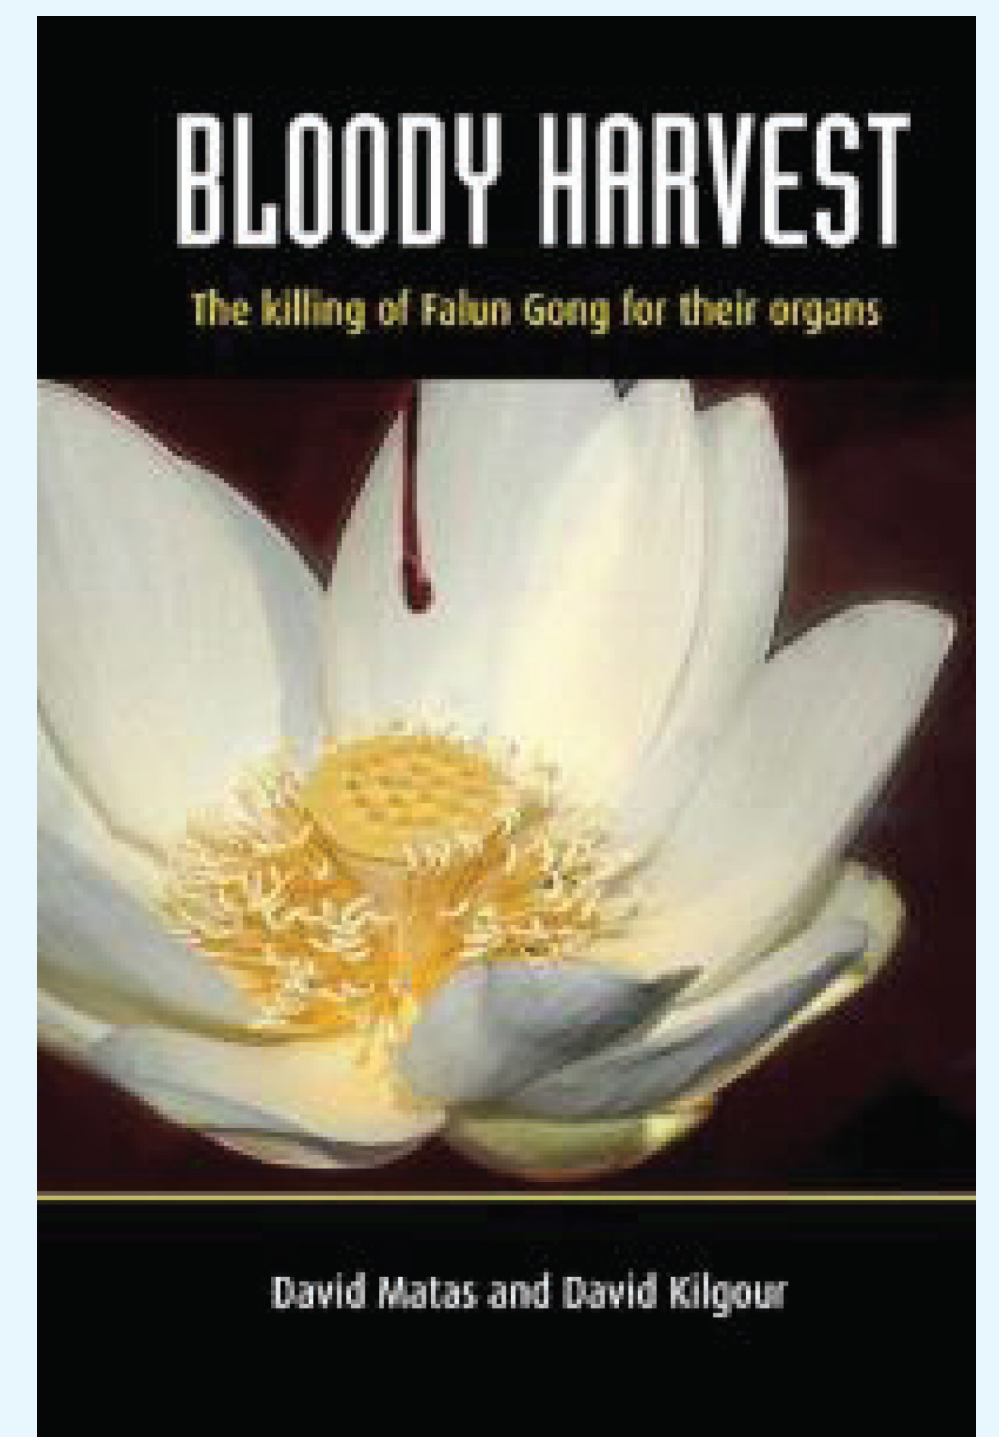

David Kilgour & David Matas

Canadian independent investigators

(Bloody Harvest; 2009)

estimate there were 41,500 unexplained organ transplants in China between 2000-2004, the only plausible explanation for sourcing was Falun Gong.
