

What Can I Do to Help **STOP** the Persecution?

Three easy ways you can help

- ▶ Sign a petition at fofg.org or at local Falun Gong booth
- ▶ Call your elected officials and ask them to take a stand
- ▶ Tell your friends and pass this info to others

Passersby sign a petition to condemn the CCP's persecution of Falun Dafa.

United States to reject applications for residency or citizenship from members of all communist parties.--October 05 2020.

The U.S. Immigration Service issued a policy notice on October 2, 2020, barring Communist Party members and those who have previously joined the Communist Party from applying for U.S. immigration status (such as green cards, etc.) unless specifically permitted.

Israel enacted a new organ transplantation law

In 2008, the Israeli parliament enacted the organ transplant law. Israel became the first country to ban its citizens from travelling to China, where no ethical rules apply concerning organ transplantation.

Congresswoman Ileana Ros-Lehtinen (R-FL) speaks at a Falun Gong rally on Capitol Hill in Washington 07/16/2015.

Spreading the word: Grassroots efforts to raise awareness have brought together young and old, relaying an urgent message.

"CCP-The Most Evil Virus Scourges the World"
Falun Gong practitioners held a parade in NY, 03/02/2020.

Falun Gong Practitioners who endure suffering are awakening people's conscience. Falun Gong has become the largest whistleblower of the CCP's crimes around the world. Understanding the Falun Gong story is not just about securing justice for the victims, but is a key to recognizing the threat that the CCP poses to us all.

Please support the call to sanction communist officials responsible for 20 more years of genocide.
